Career Objective

To utilize and continue to expand on the web development skills I have gained from the coding bootcamp I attended. With my background in operations and management, I aim to apply my leadership and organizational skills to the web development field.

Education

University of Denver Coding Bootcamp, September 2018 - Present

- Technologies Studied
 - HTML, CSS, Javascript, Bootstrap, Materialize, Firebase

University of Colorado Denver, August 2013 - December 2017

- Bachelor of Science in Business Administration
 - Emphasis in Management and Human Resource Management

Experience

Sephora Inside JCPenney, February 2016-Present

- Operations Consultant (Operations Supervisor)
 - Responsible for daily operational tasks such as processing shipment, testers, and damages. Responsible for completing all monthly animations (floor sets) and marketing updates accurately and in a timely manner. In this supervisory position, I also coach and train associates on operational tasks, customer service, and new products.

UMB Bank, May 2015-February 2016

- Transaction Specialist
 - Responsible for conducting transactions, providing the unparalleled customer experience, building customer relationships, and teaching clients about the various products and services offered.

Hollister Co., December 2012-May 2015

- Full-Time Stock Lead, July 2014-May 2015
 - Responsible for supervising stock associates, replenishing the sales floor, receiving and transferring merchandise, and maintaining the stockroom to company standards. Daily tasks included opening and closing the store and meeting sales goals for the day.
 - Sales Associate, December 2012-July 2014
 - Provided customer service, maintained the sales floor and fitting rooms, assisted customers at the cash register, and trained new employees.

Language Skills

Fluent in Russian.
